

I'm So Happy I'm a Banker (*Philip Cockerham*)

Won't you step right in?
Won't you sit right down?
Won't you tell me everything you need to?
I can make you laugh
You can trust my staff
I'm so happy I'm a banker

Got a clean white shirt
Got a company tie
Got a chair that's bigger than it should be
I can close my door
You can sign my forms
I'm so happy I'm a banker

Got a golf course booked
Got a steak meal cooked
Got a wall around my home
You put another penny in
I take another penny out
I'm so happy I'm a banker

Got a nice gold pen
Got a big white fan
Got a photo taken in Atlanta
You can shake my hand
You can stroke my desk
I'm so happy I'm a banker

You can write me a letter
It'll make you feel better
But I'll leave you
Hanging in a phone queue
I can make you fret
I can make you sweat
I'm so happy I'm a banker

Got a soft brown tan
Got a pension plan
Got a little totty bringing my tea
You put another pound in
I take another pound out
I'm so happy I'm a banker

Ba-ba-rum flash, flash
Ba-ba-rum cash, cash
Ba-ba-rum-pah, stick it up your jumper

Ba-ba-rum mine, mine
Ba-ba-rum climb, climb
I'm so happy I'm a banker

You can read my terms
I can make you feel a worm
But I'll never show you any rancour
I'm a big fat fraud
But I praise the lord
I'm so happy I'm a banker

Got a nice fine house
Got a gite in France
Got a smart car sitting in the drive
You put another tenner in
I take another tenner out
I'm so happy I'm a banker

Ba-ba-rum flash, flash
Ba-ba-rum cash, cash
Ba-ba-rum-pah, stick it up your jumper
Ba-ba-rum mine, mine
Ba-ba-rum climb, climb
I'm so happy I'm a banker

Had a damn good year
But an awful week
Now I'm stood in front of a committee
I took a penny too many
Now I'm up before the beak
He says he thinks I am a bad man

Ba-ba-rum flash, flash
Ba-ba-rum cash, cash
Ba-ba-rum-pah, stick it up your jumper
Ba-ba-rum mine, mine
Ba-ba-rum climb, climb
I'm so happy I'm a banker
